

McCammom Traditional's Super Readers!

Dear Parents/Guardians:

The **single greatest indicator of student success at school** is regular reading practice at home; both being read to and reading alone. We believe so strongly in the power of home reading that we have partnered with the Kiwanis Club of Chilliwack to create the McCammom Traditional Super Reader program.

It's simple, really. This year, the record sheets are right in the student planner for Grade 2-6 (near the front, hopefully flagged with a sticker☺). Kindergarten and Grade 1's are getting a magnetic pad of records to keep on the fridge door or some other convenient place. Every night that your child reads (or you read to your child), for a minimum of 15 minutes, "x" a box on the record sheet. When the 25 nights are complete, your child's teacher will mark the classroom chart.

Air Miles, PC points... we like to be rewarded as we go about our daily business. For school kids, **reading is their daily business**, so every 25 nights of reading earns a ticket into our special home reading draw, a 4B, as well as one of a variety of pencils, bookmarks, and treats. After 100 nights, students are recognized at the Super Reader Assembly with t-shirts, books, clipboards or collector pens from Kiwanis and after 250 nights, they earn a free book **AND** a Book Certificate to Coles Book Store.

McCammom Super Readers starts Sept. 6 (you can back-date the record when your child gets his or her planner later this week) and runs until May 31, 2017. That's a lot of nights and a lot of opportunities to earn the rewards.

Happy Reading!!!

Mrs. M. Kushniryk
Teacher-Librarian

**"The desire to read is not born in a child.
It is planted -- by parents and teachers."**

--Jim Trelease, author
The Read Aloud Handbook
