

McCammon Elementary

August 26, 2020

While planning for our [Stage 2 Re-Start](#) (*full-time in-class instruction for all students in a learning group*), maintaining a **HEALTHY** and **SAFE** environment for **ALL** was foundational.

WHAT IS A **LEARNING GROUP**?

- A learning group is a group of students and staff who remain together throughout a school term.
- Our learning groups at McCammon Elementary will primarily consist of two classes with their classroom teachers.
- Our learning groups may be a maximum of 60. This may occur for learning groups during recess and lunch when they are outside or in larger school spaces.

MANDATORY DAILY HEALTH SCREENING

- To stop the spread of COVID-19 daily health screening is mandatory for students and staff.
- Parents are asked to utilize this [screening check-list](#) prior to sending their child(ren) each day.
- Students and staff who are unwell must not enter the school.

RECESS-LUNCH and SCHOOL NAVIGATION

- Our recess and lunch times will be staggered. Learning Groups will have their times scheduled together and will be physically distanced from other learning groups.
- At this time, there will be no breakfast, recess or lunch food programs.
- Our school common areas such as entrances/exits, hallways, washrooms and gymnasiums have been clearly marked to ensure physical distancing.
