Message from the Principal, Mr. Sharman

It's hard to believe we are entering our last full week of school! Although the year is coming to a close, we still have a week and a half left, filled with fun and meaningful activities. We are excited to make these final days memorable for our students.

Please ensure your child comes prepared for their field trips with appropriate clothing, comfortable footwear, water, and any other items their teacher has requested. Thank you for your ongoing support throughout the year. We are looking forward to a fantastic final stretch together! If you have any questions, please don't hesitate to contact the school office.

Make it a great week!
