

Going to

Kindergarten

AT

McCammmon Elementary

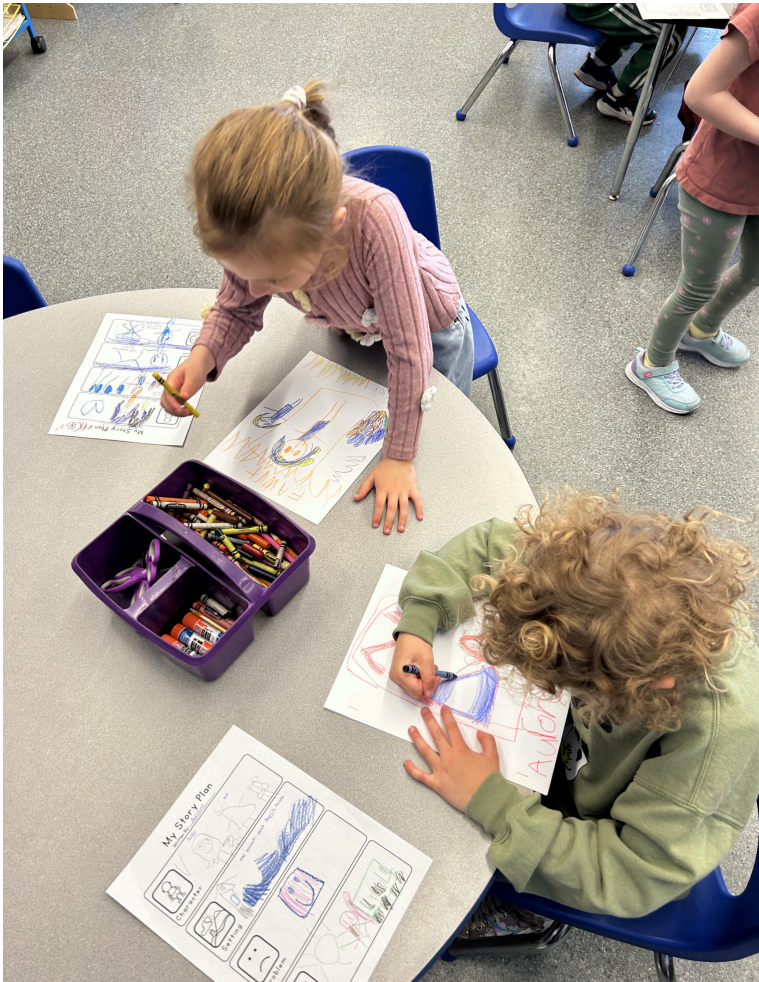

This is my school.

When I arrive, I will line up outside.

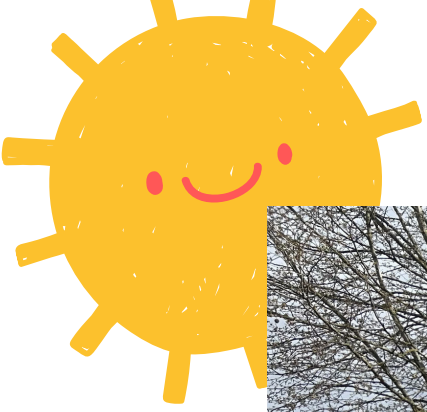

There will be a place in my classroom
for me to put my things.

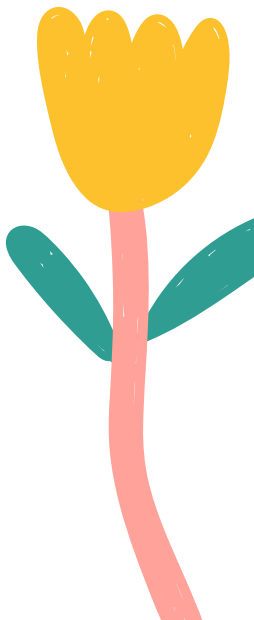

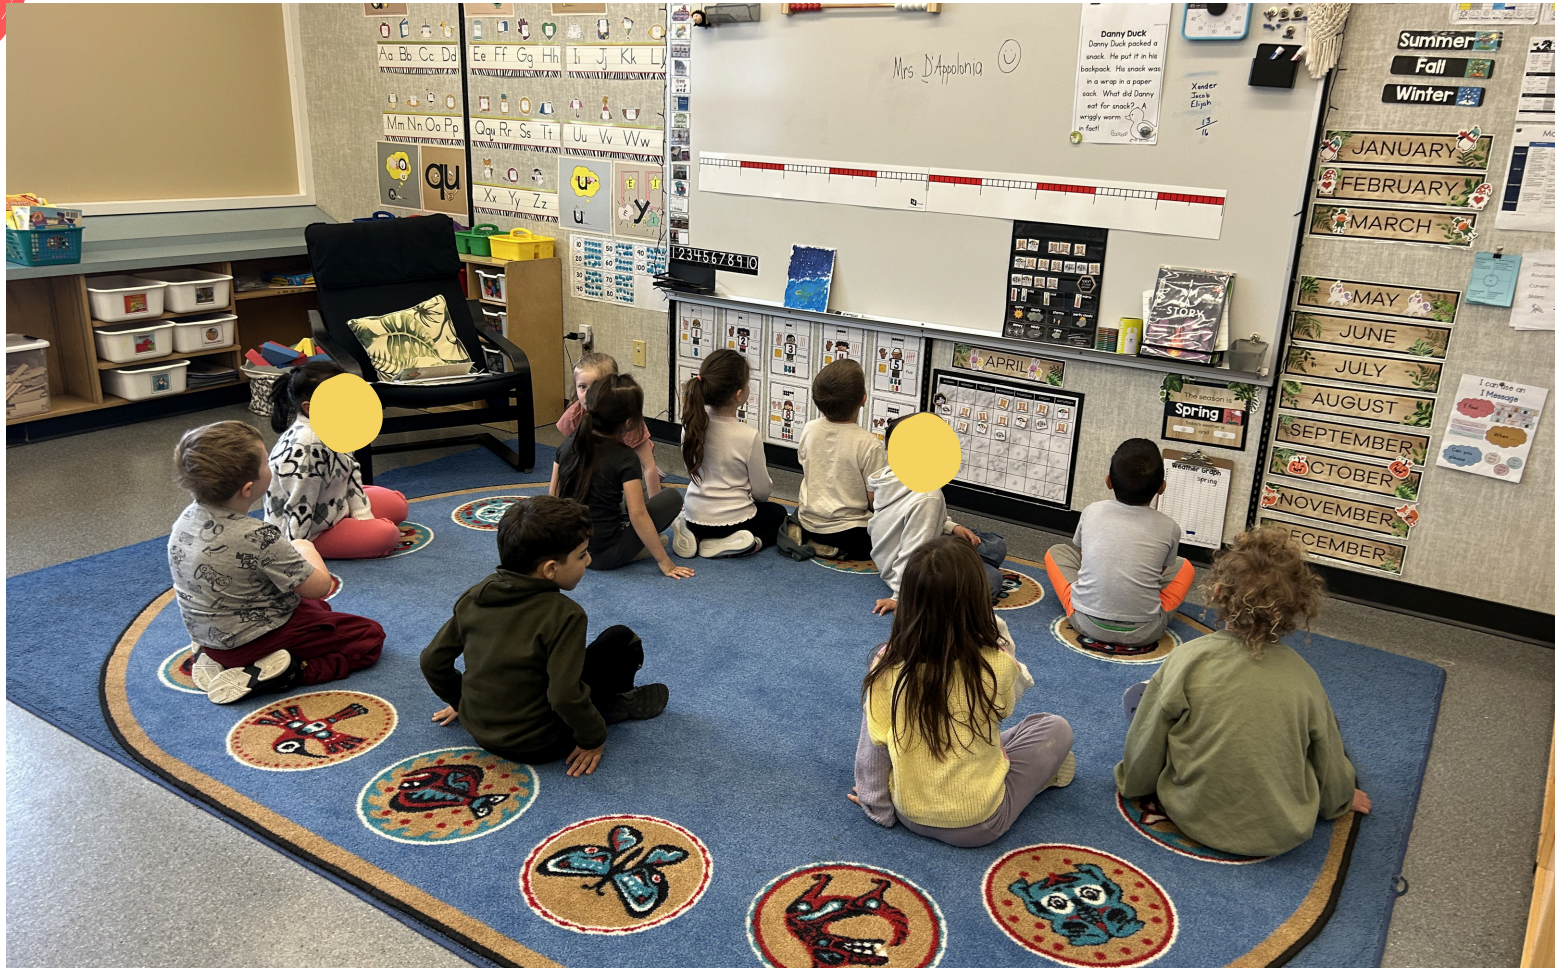

During kindergarten, we will work
and play inside...

and outside.

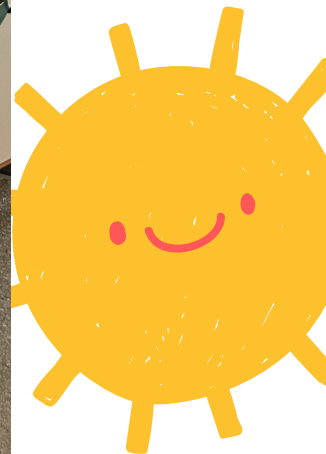

We will also sit at the carpet to read stories, share and learn.

I will eat
snack and
lunch at
school.

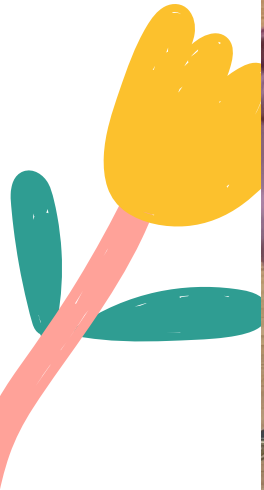

My classroom might have a bathroom or I will use the bathrooms down the hallway. I will close the door and use it on my own.

On some days,
we will play
and move our
bodies in the
gym.

On some days,
we will also
visit the library
to look at
books.

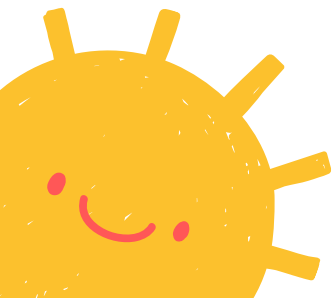

Our classroom has books too. We will read lots of books in kindergarten!

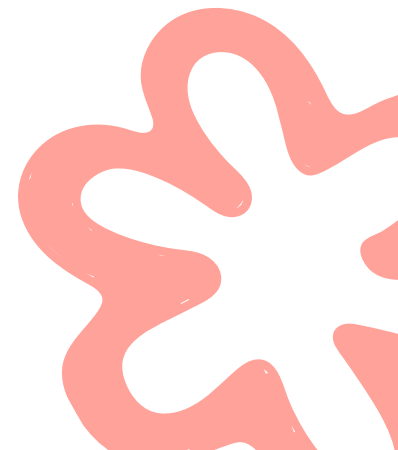

We will cut, colour and create in kindergarten.

My teachers will help me
learn and grow.

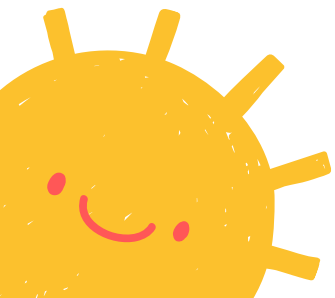

There are lots of adults ready to help me.

There will also be lots of new friends for me to meet.

What are you excited to play?

We can't wait
for you to
come to
kindergarten!
