Message from Mrs. Thompson and Ms. Van Ry

We want to say a big thank you to all of our families who have supported not only their own children, but others in our school community as well. It has been a year of many changes, and you have rolled with them. Your patience, understanding, and support have been greatly appreciated.

Parents and guardians, thank you for volunteering your time to give back to our school. The PAC at McCammon has worked incredibly hard to provide our students with amazing opportunities throughout the year. Family Fun Day and the Waterslides were definitely highlights and wonderful memories for our students.

The first day of school will be **Tuesday, September 8**, from **8:04 a.m. to 10:04 a.m.** Please bring your student(s) to their previous year's teacher's lineup. Your child will only need a snack on the first day. New students should enter through the front doors and meet in the library.

Wednesday, September 9 will be a regular school day from **8:04 a.m. to 2:04 p.m.**, with the warning bell ringing at **7:59 a.m.** Students will line up by grade group in the field and should bring both a snack and a lunch.

If you have a child entering Kindergarten this year, you will receive a gradual entry schedule by email this week.

We hope you have a safe, relaxing, and enjoyable summer, and we look forward to welcoming everyone back in September!

Until September... keep spreading kindness ☺

Why did the teacher wear
sunglasses?

Because the class was so bright!

Thank you to Sarah (McCammon parent) for volunteering to decorate the gym for our Grade 5 Celebration. You made it truly special for all of our students who are moving on.

Community Support:

Safe and Welcoming Place

The Chilliwack Community Cupboard is a safe and welcoming place where struggling and low income families with children under the age of 19 years and living in their home, can come without judgement and get help at no cost to them.

We provide food, clothing, basic necessities and household items to these families on a weekly basis.

This venture is staffed by wonderful volunteers that share in the vision of helping as many families as we can. We are currently open on Thursdays during the school session from 9:30 am to 11:30 am. We are also open at least one Saturday a month.

School staff can make arrangements to come after these hours for the needs of their students.
